

## ★ HOSPITAL MANAGEMENT SOFTWARE

# Still Struggling With Your Hospital Management? Call Us — We Can Help!

**SOUND FAMILIAR?**

*How many patients were seen today? How many tests were run? How much medicine was sold? Without one connected system, no one can trace a patient's complete care journey.*

**Origami Health Suite connects it all — in real time.**

## ◆ WHAT'S INSIDE HEALTH SUITE

 **Configurer** **IPD** **Pharmacy** **Accounts** **Patient Registration** **Procedure** **ABHA Integration** **Website Management** **OPD** **Laboratory Management** **Biomedical Waste** **+ 80 Sub-Modules**

## Ready to automate your hospital?
